

**SVD GOVERNMENT DEGREE COLLEGE FOR WOMEN, NIDADAVOLE**

**Accredited with B<sup>++</sup> Grade by NAAC**

**Affiliated to Adikavi Nannaya University, Rajahmundry**

**2023-2024**

Every year prior to the beginning of the academic year meticulous planning was done in the presence of the staff members having the Principal in the chair keeping in view of our vision. Also we are keeping our vision as dynamic on every year basis in accordance with the highlighted from the perspective plan are as follows:

- To make learning an enjoying one i.e., more ICT based as per single major system
- To focus on outcome based education
- To plan a system that leads to optimum utility of the existing infrastructure
- To inculcate institutional social responsibility among students
- To leave no stone unturned while mobilising funds
- To stress more e-communication in a way to strengthen paperless administration
- To involve more students in all activities for better and transparent administration
- To enhance both life skills and employability skills of the students by utilizing the platforms like JKC, Career Counselling orientation programme etc. and also through Skill Enhancement Courses and Multi-disciplinary courses under single major system

Having all these goals as bottom line all departments used to develop their own strategic plan which is nearer to its practical implementation. Also all the faculty members are encouraged in visit all possible HEI/Universities so as to have an idea about the best practices followed in those HEI/Universities.

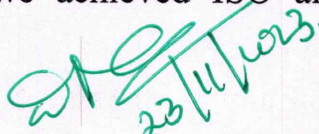

All the faculty members are motivated in transforming this institution to withstand all the parameters regarding ISO, Green Audit and following energy conservative procedures. Also, they are encouraged to make our institution within the list of 1-150 in NIRF.

An elaborated discussion was made to chalk out a feasible action plan to bring back our Indian Heritage and Culture

### **Effective Deployment of Aspiration:**

- In this process most of the faculty members visited either alone or along with students, the neighbouring institutions to have an idea about the Best Practices/Procedures followed in those institutions
- In the process continuous internal assessment all students gave ICT based presentations
- This institution always enjoys to be first in the district regarding results securing more the 80% result also majority of the students are progressed to either higher education or got employment
- Despite the fact the college is having only 9 Rooms and one Virtual Class Room and one Seminar Hall with skeleton infrastructure facilities students never get dissatisfied, which is the result of proper planning and optimum utility of the existing amenities
- As an extension activity under NSS most of the students visited and lended helping hand to the serving and needy places like old age homes. Also they volunteered in aspect of highlighting the value of vote during electoral literacy campaign
- We received some helping hand from the local Rotary Club and Staff Members
- All communication was done through student whatsapp groups, public address system
- Student participation was stressed in several academic and administrative committees
- Following is the list of SEC's and MDC's pursued by the students in this institute
- As a result of continuous team work of our faculty members under the able guidance of the principal madam we achieved ISO along with NIRF participation
